The Company provides irrigation recommendations through an online platform to its registered users through a designated account (the “**Service(s)**”). The use of the Service and their underlying platform, software and technology (collectively the “**Platform**” or “**Irreo**”), are subject to these Terms of Service and to Company’s Privacy Policy, as amended from time to time (collectively the “**Terms**”).

BY USING OR ACCESSING ANY PART OF THE SERVICE YOU AGREE TO BE BOUND BY THE TERMS. We may amend the Terms from time to time by written notice on the Site. You hereby undertake to check this page from time to time for any changes. Your continued use of our Service will constitute acknowledgement and consent to any amendments made within these Terms. These Terms shall constitute a legally binding agreement between the Company and you and shall govern your use of the Service.

Your access to, and use of, the Service may also be subject to the specific terms of any order, form or agreement executed between the Company and you with respect to your access to and use of the Service, which shall apply in addition to these Terms.

If you wish to act as a reseller of the Service you must obtain Company’s explicit written consent, which may be subject to certain limitations and conditions, and, unless expressly provided otherwise, you, and any end-user represented by you, shall be subject to these Terms.

1. **Eligibility, Account Set Up and account activity.** The Service is limited to registered users of the Company, for which the Company has set up an active account (“**Account Holders**”). During the registration process and set up of the account, you may be required to provide us with certain contact information, description of the property with respect to which you wish to use the Service and/or other information. You agree to provide us with truthful and accurate information and to update such information promptly upon any change. By registering, accessing or using the Service, you represent that (i) you are at least 18. If you are under 18, then you may not use or access the Service under any circumstances; (ii) the Service shall be used and accessed by you solely with respect to agricultural fields either owned by you or lawfully leased by you (“**Your Property**”); (iii) the Service shall be used and accessed by you for lawful purposes solely and in accordance with these Terms and any other agreement between the Company and you with respect thereto. You are solely responsible for your account activity. We urge you to always log-off from the Service when leaving your device unattended and not to share your account details with any third party. The Service is personal and may only be used for your own benefit. You are further solely responsible for all data, information, and other content that you may provide to us in connection with your use of the Service or that we may receive, collect or obtain through your use of the Service. You hereby grant us and our third party service providers and licensors all necessary rights and licenses in and to such content necessary to provide the Service.
2. **Trial Term.** We currently allow a free of charge trial term of up to 15 days to new Account Holders who elect such option through our Platform when setting up an account. The trial term can’t be activated twice by the same account nor on the same field/parcel. We reserve the right to change, limit or terminate the trial at any time, at our sole discretion, with respect

to the length of the trial period, to the functionalities made available during the trial or otherwise, as we deem fit. Such trial period as may be available from time to time shall be referred to as “**Trial**”. Once the Trial Term ends, the Subscription Term starts automatically the day after. You will receive a reminder via email 5 days before the end of the Trial Term.

3. **Subscription Term, Automatic Renewal.** The Services are rendered on a daily subscription term (each a “**Subscription Term**”), renewing automatically. In fact, the Subscription Fees are on a daily basis and can be found from time to time on our Website (<https://irreo.nodriver.ai/>). If you do not wish to renew the Services for an additional Subscription Term following your current Subscription Term, you must notify us by email at the following address info@nodriver.ai, or interrupt the service through your Account on the Platform. The service is flexible and can be interrupted at any time. It is possible to interrupt the service without deleting the Account. While, if you are sure you will not use the service anymore, you can delete your Account. Nodriver shall be entitled to refuse to the renewal of the Services upon the lapse of any Subscription Term. You are responsible for checking that You received a confirmation by email of your decision not to renew your subscription to the Service.
4. **Payment Terms, Cancellation Policy.** Fees are calculated on a daily basis and will be due and payable from the 25th of every month, day in which you will receive a monthly bill which will consider only the days and the hectares for which we have actually provided you with our service. The Subscription Fees are due and payable after the service has been provided. The Subscription Fees are always composed by an amount of Euros/Dollars per day, for every hectare monitored. Payment of Subscription Fees may be made either by wire transfer in coordination with our sales force at info@nodriver.ai, or online through our website. For online payment through our website we use a payment processor ([Stripe](#)) to facilitate the transaction, and payment through such payment method is made directly through payment processor’s platform, subject to the payment processor’s terms and privacy policy available on Stripe’s website. You hereby authorize us to charge your payment method upon automatic renewal on the 25th of every month. If you interrupt the service and/or you cancel the Account, in any case you will receive the bill and you will have to pay for the days in which you used the service.
5. **Modification of your Subscription.** You may upgrade your Subscription at your own convenience by increasing the hectares’ amount covered by the Service (the “**Upgrade**”). This amount of hectares will be automatically translated by the platform in an amount of money that will be summed to the amount already due for the active Subscription. For avoidance of doubt, in case of an Upgrade the Subscription Fees charged for the next Subscription Term upon automatic renewal under Section 3 above, shall be based on the hectares’ amount covered by the Service following the Upgrade.
6. **Access Rights, Restrictions.** Account Holders are granted with a personal, limited, non-exclusive, non-transferable and non assignable right to access and use the Service during the Term of their subscription for the Service, subject to their full compliance with these Terms and any other agreement with the Company, and to their timely payment of any fees due with respect to the Service.
